Developing Abilities Through Unique Equine Programs

About Us

Riding for the Disabled (NSW) Tall Timbers Centre is a registered charity and volunteer-led organisation dedicated to enriching the lives of people with disabilities through equine therapy programs.

Located in Sydney's Hills District, our centre supports approximately 160 participants and families annually, delivering tailored programs that build confidence, independence and essential life skills.

At Tall Timbers, we focus on ability, not limitation; through the unique connection between humans and horses, we create meaningful opportunities for growth, development and inclusion.

The Opportunity

According to the Australia Bureau of Statistics, 1 in 5 people live with a disability in Australia, yet access to engaging, specialised and purposeful programs remain limited.

At RDA Tall Timbers, demand for our services continues to grow but our ability to deliver more programs, support more participants and expand our impact is directly linked to community and corporate support.

This is where your partnership can make a real difference.

Our Programs and Impact

RDA Tall Timbers delivers a diverse range of equine-assisted programs designed to support physical, emotional and social development.

Beyond structured program delivery, the impact of equine-assisted activities is both practical and transformative. For individuals with physical disabilities, horseback riding extends far beyond exercise and posture improvement, it turns routine movements into engaging, confidence-building experiences.

Our skilled coaches work closely with participants, as well as their teachers or carers, to integrate literacy, numeracy and social skills into each session. By leveraging the natural motivation and responsiveness of horses, participants are encouraged to learn, communicate and engage in ways that feel both meaningful and enjoyable.

In addition to our riding programs, non-riding activities ensure the Centre remains accessible to a broader range of participants. Through the use of our sensory garden, equine centre and surrounding environment, these programs focus on building relationships, communication skills and decision-making in a supportive and inclusive setting.

Programs include:

- Groundwork and Life Skills
- Mechanical Horse and wheelchair-accessible activities
- Occupational Therapy and Speech Pathology
- Equine Facilitated Learning and Mental Health Programs

Impact in 2025:

- 163 local families supported
- 2,860 equine sessions delivered
- 286 speech pathology sessions delivered

Each year, Tall Timbers delivers meaningful, measurable outcomes for participants across all ages and abilities. Our programs observe participants grow and flourish as they develop skills, confidence Outcomes participants experience:

- Increased confidence and independence
- Improved communication and social interaction
- Enhanced physical coordination and strength
- Positive mental health and emotional wellbeing

Horses provide immediate, honest feedback, creating powerful learning environments that support emotional awareness, trust, and personal growth.

Where Your Support Goes

Your sponsorship directly enables the delivery of our programs and the care of our horses. Due to the specialised nature of RDA's equine programs, there are several essential ongoing costs, these include:

- Horse care (feed, veterinary, farrier, equipment)
- Program delivery and specialised staff
- Facility maintenance, groundwork and safety requirements
- Therapy and learning resources

Every contribution directly supports real people, real outcomes, and real change.

Why Partner With Us

Partnering with RDA Tall Timbers is more than sponsorship; it's an opportunity to align your brand with authentic, measurable community impact.
As a partner your organisation will:

- Strengthen Corporate Social Responsibility (CSR) initiatives
- Build trust and visibility within the local community
- Align with inclusion, accessibility and purpose-driven impact
- Gain exposure across events, digital platforms and communications
- Engage staff through meaningful community experiences

Your brand becomes part of something bigger, creating a lasting impact and change.

RDA Tall Timbers is a registered charity with the Australian Charities and Not-for-Profit Commission (ACNC) and is endorsed as a Deductible Gift Recipient (DGR), meaning all eligible contributions are tax-deductible.

Voices from Our Community

QUOTES FROM OUR PARTICIPANTS, FAMILIES AND VOLUNTEERS

> "RDA creates a wonderfully supportive and fun environment for my child to learn, grow and enjoy his programs. He adores the horses and the volunteers, and his riding classes are a highlight of the week."

> "I love my days at Tall Timbers. I get to meet and make friends, learn work skills and look after horses, especially Nugget."

> "She loves going to horsey therapy and is learning to socialise with others. Without the caring and patience of the trainers, she would not be able to access this type of activity."

> "I can only say positive things about RDA. My son looks forward to every session and is always met where he is at on the day, and leaves in a better and happier place. He is getting stronger physically and it helps him regulate his moods and gain experience socialising in a safe place where everyone is kind and makes him feel valued. Thank you!"
